OTHER NECESSARY ITEMS

1. THREE-RING BINDER:

- * You will need to provide a three-ring binder for your autobiography; it is required.
- * Suggested size is one inch or bigger.

2. TITLE PAGE: (typed)

- * This page should include the following: a title, your name, Nativity of Mary School, Seventh Grade, Mrs. Prusha, Date (Month and Year).

3. DEDICATION PAGE: (typed)

- * Title this page *Dedication*.
- * To whom would you like to dedicate your book? Perhaps you would like to dedicate it to someone special in your life. The dedication page should include a statement of dedication, often something as simple as, "For my Grandpa". Look in the front of novels if you need more examples.

4. ACKNOWLEDGMENTS PAGE: (typed)

- * Title this page *Acknowledgements*.
- * Write a statement acknowledging anyone who gave you particular help in preparing your book - perhaps a family member or friend who helped you gather information, locate pictures, or type your chapters.

5. TABLE OF CONTENTS: (typed)

- * Title this page *Table of Contents*
- * For the table of contents, list the chapter titles and the pages on which they begin. Then be sure to remember to number the pages of your autobiography. If you want to add more to your table of contents you may. I can give you ideas if you need some.

EXTRA EFFORT: To earn an 'A' 96% you need to do fourteen extras. However, if you would like to earn 100% you can put in a little extra effort by enhancing the look of your autobiography. Suggestions would be: adding additional photos, custom designing a cover and/or title page, and/or adding additional "extras" which you would like in your autobiography.
