

# VOLUNTEER OPPORTUNITIES

The Spirit of Spring Social is in need of YOUR HELP with this great event! It takes a lot of people to make this event a success. We need help with everything from set-up to closing on the day of the event. Your time commitment can be minimal – and the fun is endless! Mark the area which you would most like to help. Send this form back to the school office ASAP or no later than Tuesday, March 16th. You will be contacted via email and in your communication folder in the coming weeks with your schedule. It's your help that sure to make this a fantastic event! Thank-you ahead of time for your time and efforts!
